It's all about timing. When an ex GF calls and there is still something there, it can put a fork in the road. Do you stay where you are in the new relationship or...go back.

### AUSTIN WINKLER - 2006:Songwriter Universe

"The lyric of Lips Of An Angel is based on a true story. My ex-girlfriend had called me while my current girlfriend was in the next room. Then when I was writing with Cody, I brought up this idea, and we kind of looked at each other. We realized we had a good song (in the making). Cody then came up with the chord progressions. We knew Lips Of An Angel was a good song, but we didn't know people would relate to it the way they have. When we sing this song live, the audience goes crazy."

### AUSTIN WINKLER - 2013:Screamer

"We had just gotten signed and were writing for the record and the incident actually happened to me. I told Cody about it sort of as a joke, joking around with the first line of the song. It's all true, and when we started to put it together, the song actually wrote itself in all of ten minutes."

### AUSTIN WINKLER - 2006:Billboard

"Do me a favor,(Mackay told Hanson) Spend the next week looking out in the crowd and talking to fans about what else they like on the album, so we can get some feedback about what the next single should be. (Hanson then told Mackey) Everybody and their mother are s---ting their pants about 'Lips of an Angel.' It's biker dudes in leather and 18-year-old girls. They're all going nuts for it."

### AUSTIN WINKLER 2008:Associated Press

"Originally, 'Lips of an Angel,' the label didn't want it on the record. We knew what a monster that was and basically the fans did too and made it a huge success."

Honey why you calling me so late?  
It's kinda hard to talk right now.  
Honey why are you crying? Is everything okay?  
I gotta whisper 'cause I can't be too loud

Well, my girl's in the next room  
Sometimes I wish she was you  
I guess we never really moved on  
It's really good to hear your voice saying my name  
It sounds so sweet  
Coming from the lips of an angel  
Hearing those words it makes me weak

And I never wanna say goodbye  
But girl you make it hard to be faithful  
With the lips of an angel

It's funny that you're calling me tonight  
And, yes, I've dreamt of you too  
And does he know you're talking to me  
Will it start a fight  
No I don't think she has a clue

Well my girl's in the next room  
Sometimes I wish she was you  
I guess we never really moved on  
It's really good to hear your voice saying my name  
It sounds so sweet  
Coming from the lips of an angel  
Hearing those words it makes me weak

And I never wanna say goodbye  
But girl you make it hard to be faithful  
With the lips of an angel

It's really good to hear your voice saying my name  
It sounds so sweet  
Coming from the lips of an angel  
Hearing those words it makes me weak

And I never wanna say goodbye  
But girl you make it hard to be faithful  
With the lips of an angel

And I never wanna say goodbye  
But girl you make it hard to be faithful  
With the lips of an angel

Honey why you calling me so late?
